## Belize

“Footsteps of the Maya”

*Belize is a nation on the eastern coast of Central America, with Caribbean Sea shorelines to the east and dense jungle to the west. Offshore, the massive Belize Barrier Reef, dotted with hundreds of low-lying islands called cayes, hosts rich marine life. Belize’s jungle areas are home to Mayan ruins, ancient Maya burial caves, majestic waterfalls and a rich diversity of cultures. We hope to share this great country with you starting Summer 2020.*

That experience begins long before you board your plane. It begins when you decide to go. You will meet your tour director at your first organizational meeting. You will feel your excitement build as the **Destiny** team describes in great detail everything about your tour.

When your group departs your local Airport, **Destiny** will be there. When you arrive in Belize, **Destiny** will be there. At hotel check-in, throughout each excursion, at meals, and during every other moment, **Destiny** will be there to insure your enjoyment, comfort, and safety.

## *What you'll experience on your tour...*

### Day 1:

1. Meet your tour director at the airport in Shreveport.
2. Arrive in Belize City around noon.
3. Board a Tour Van and Travel to San Ignacio, Cayo, Belize
4. Check into your Hotel with a view of the Mountains of Western Belize. Your tour Director will give a brief orientation about the accommodations and excursions during a catered authentic Belizean dinner.

### Day 2

1. Board our private tour van and travel to the Famous San Ignacio Saturday Market for breakfast and shopping. Experience how locals do their trading and shopping as you interact with people that have brought goods and crafts to sell at this open air bazaar.
2. Drive to the Xunantunich Mayan Ruins for a guided tour of this ancient city that was well known for its economic importance.
3. For an afternoon of cultural immersion the group will travel deep into the Mountain Pine Ridge Reserve for a traditional Chocolate Making Demonstration using ancient Mayan techniques. Each traveler will be treated to a Mayan hot Chocolate drink and candies.
4. We will be completing our Mayan trek for day 3 with a short visit to the lesser known archeological site Cahal Pech. This site was once the palace for a wealthy ruling family from the neighboring economic center Xunantunich.

### Day 3

1. Travel from our Hotel to Main Street San Ignacio to join up with an exhibition group in route to the Actun Tunichil Muknal Cave. We will hike through jungles and rivers to reach the mouth of this epic Mayan site. After swimming into the mouth of the cave we will trek by headlamp deep into this ancient sacrificial chamber that was believed to be a corridor into the afterlife. This professionally guided all-day adventure includes a Cayo themed lunch.
2. We will celebrate this climatic day with a catered pool party at our hotel.

### Day 4

1. Our group will begin today with a scenic drive to the Placencia, Belize along the southern coast. After checking into our beachfront cabana style hotel we will enjoy an afternoon on the beach.
2. The Rumfish Vino Restaurant is perhaps the highest rated eatery in the western Caribbean. No trip to Belize would be as good without stopping in for a lobster feast.

### Day 5

1. Board a small ocean vessel for a snorkel tour of the second largest reef system on the planet. See hundreds of species of marine plants and animals as you leisurely swim in the shallow waters surrounding one of the many islands that dot the watery landscape.
2. As the group is snorkeling we will be preparing an excellent seafood barbecue for lunch. After returning to the mainland in the afternoon our group will be granted time to shop for souvenirs on the sidewalk sized main street Placencia.

2. Our day will end at a local restaurant where we will enjoy dinner and a Garifuna Drumming and Dancing demonstration.

### Day 6

1. After checking out of our beach cabanas the group will take a puddle jumper airplane back north to the Belize City to catch the jet back home.
